Agnes Scott College

Bachelor of Arts in Public Health

GPA: 3.4

Decatur, Georgia

May 2025

Honors: Elizabeth Kiss Trailblazer Scholarship, Nannette Hopkins Music Scholarship, Bevier Scholarship

EXPERIENCE

The Walt Disney Company

Attractions Cast Member

Orlando, Florida

May 2025 - Present

- Demonstrate well sharpened communication, problem solving, and conflict diffusion skills while assisting over 20,000 guests a day, promoting the company's reputation for efficient and high quality service
- Prioritize guest safety above all else while operating attraction machinery and monitoring ride motion

Agnes Scott College Career Exploration Center

Career Peer Tutor

Decatur, Georgia

January 2024 - May 2025

- Delivered individual assistance and guidance to undergraduate students on career related materials including resumes, CVs, and cover letters during one-on-one tutoring sessions in a hybrid format
- Facilitated and assisted with the staffing of events like career fairs, organizational Q&A sessions, and professional workshops to ensure efficient operations
- Collaborated with Career Coaches to create promotional and informational content such as social media posts, professional development resource flyers, and educational presentations to increase campus interaction and overall career preparedness

David J. Sencer CDC Museum

Bevier Scholar Intern

Atlanta, Georgia

June 2024 - August 2024

- Wrote, compiled, and edited content for the Global Health Chronicles website underneath direct mentorship, contributing to the completion of an official historical archive of CDC activities across an 8 week long full time internship

CAMPUS LEADERSHIP AND COMMUNITY INVOLVEMENT

Winship Cancer Institute at Emory University

SCALE Volunteer

Atlanta, Georgia

March 2023

- Assisted health professionals by recording, categorizing, and transporting patient lab samples within a fast past environment in order to support hospital operations
- Directed traffic flow in busy areas by communicating directions to aid patients in finding their appointment locations
- Performed as a guest musician in the hospital lobby, helping to create a relaxing environment for patients experiencing treatment

SKILLS

- *Software & Digital:* Microsoft Office, Google Workspace, LinkedIn, Indeed, SPSS, Canva, Audacity
